TYPE OF DATA PROCESSED, PURPOSE AND LEGAL BASIS OF THE PROCESSING

Browsing data

The computer systems and software procedures used to operate this website capture, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols.

These information are not collected to be associated with identified interested parties, but by its very nature could allow users to be identified, through processing and association with data held by third parties..

This category of data includes the IP addresses or domain names of the computers used by users connecting to the site, the URI (Uniform Resource Identifier) notation addresses of the resources requested, the time of the request, the method used in submitting the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.) and other parameters relating to the user's operating system and computer environment. These data are used for the sole purpose of obtaining anonymous statistical information about the use of the site and to check its correct operation and are immediately deleted after processing. The data could be used to ascertain responsibility in case of alleged computer crimes against the site: besides this case, currently the data on web contacts do not remain for more than one month.

The legal basis for the processing is therefore a legitimate interest of the owner in the performance and improvement of the site services provided.

Voluntarily provided data

The optional, explicit and voluntary sending of electronic mail to the addresses indicated on this site or the completion of specific forms to receive services/information or to make requests involves the subsequent acquisition of the sender's address, necessary to reply to those requests, as well as any other personal data entered.

Personal data provided by users who forward requests (contact requests, sending of CVs, sending of newsletters, etc.) are processed for the purpose of establishment and execution of the contractual relationship between the user and the Company.

The legal basis for processing is therefore the fulfilment of contractual obligations (requests) of the applicant/consenting user.

Data held by the Controller may also be used for additional purposes:

- Fulfilling obligations under regulations and applicable national and supranational legislation, whose legal basis becomes the legal obligations' fulfillment.
- Eventually, to ascertain, exercise or defend the Holder's rights in court and/or for out-of-court debt recovery. Whose legal basis becomes the legitimate interest of the Data Controller.
- Marketing: by way of example, sending - by automated contact methods (such as sms and email) and traditional methods (such as telephone calls with operator and traditional mail) - promotional and commercial communications related to services offered by the Company or reporting of company events, as well as the implementation of market studies and statistical analysis. The purpose of which becomes the consent, optional and revocable at any time of the Data Subject.

Cookies

The site uses technical cookies / profiling cookies / third-party cookies.

For more information, see specific information on the use of cookies.

COMMUNICATION OF DATA TO THIRD PARTIES AND TRANSFER TO THIRD COUNTRIES OUTSIDE THE EUROPEAN UNION

The data may be transferred abroad to non-European countries whose level of data protection has been deemed adequate by the European Commission pursuant to Article 45 of the GDPR or prior to the signing of standard contractual clauses (Standard Contractual Clauses) adopted/approved by the European Commission pursuant to Article 46, 2, lett. c) and d)

PROCESSING METHODS, DATA RETENTION PERIOD AND AUTOMATED PROCESSES

Personal data are processed using computer tools. The personal data provided by the user are

kept for the period necessary for the execution of the indicated purpose(s). Navigation data are kept for the period necessary for the execution of the indicated purpose(s).

After expiration of the above mentioned retention periods, the Data will be destroyed, deleted or anonymized, in accordance with the technical procedures for deletion and backup.

Automated decision-making/profiling is based on a logic of clustering by affinity of online behaviour.

Specific security measures are observed to prevent data loss, illicit or incorrect use and unauthorized access.

PROVISION OF DATA

Aside from what has been specified for navigation data, the provision of data is mandatory for the sending of the request using the specific form and therefore the failure, partial or incorrect provision of such Data makes its conclusion impossible.

The undersigned company, the owner of the website and the Data Controller, reserves the right to cancel the registration and discontinue the provision of services in case the data provided to access certain services turn out to be truthful.

DATA RECIPIENTS

Data may be processed by external parties acting as data controllers such as, but not limited to:

- a. Authorities and supervisory and control bodies;
- b. Suppliers;
- c. Data Processors (accountant, labour consultant, system administrator, software house that manages data and the software development);
- d. Law firms.

Data may also be processed on behalf of the Company by external parties designated as data processors under Article 28 GDPR, to whom appropriate operating instructions are given. These parties are essentially included in the following categories:

- a. companies that offer e-mailing services;
- b. companies that offer website maintenance services;
- c. companies that offer support in carrying out market researches.

PERSONS AUTHORIZED TO PROCESS

The data may be processed by the employees and collaborators of the business functions deputed to the pursuit of the above-mentioned purposes, who have been expressly authorized to the processing and have received appropriate operating instructions.

RIGHTS OF THE DATA SUBJECTS, RIGHT TO PROPOSE A COMPLAINT AND REVOCATION OF CONSENT

Data Subjects have the right at any time to request access to their personal data, rectification, cancellation, restriction of the same, to object to the processing and to exercise the right to data portability. In any case, the data subject has the right to revoke at any time any consent given to the processing of data, without prejudice to the lawfulness of the processing based on the consent given before revocation.

In order to exercise the rights provided for by the regulations in force regarding the protection of personal data and to know the complete list of the External Data Processors appointed for each area and activity or to obtain information regarding the transfer of data to non-EU countries and related guarantees, you can write to legale@novusassociati.com or send a fax to +39.049710979.

The individuals to Data Subjects also have the right to lodge a complaint with a Data Processing Supervisory Authority, located in the member state where you normally reside or in the member state where you work or where the alleged breach occurred.
